

ARGICULTURE

Want to continue working in the rain for longer?
Or cleaning under high pressure?
Whoever wishes to stay dry will be opting for
Dolfing. Farmers and horticulturists, gardeners,
fruit growers and other professionals in this
industry have therefore been wearing the
sustainable, waterproof clothing from Dolfing's
extensive assortment for many years.

QUALITY CUSTOM PROTECTIVE WEAR

BUILDING & INDUSTRY

Construction and Industry are now placing higher demands on work clothing. Fortunately, you can satisfy these demands with Dolfin, as Dolfin works with raw materials which have been made and certified in Western Europe, so exactly in line with European requirements.

OFFSHORE & FISHING

The robust and heavy quality rainwear protects against the most extreme weather conditions at sea. As it can certainly take a knock or two, our waterproof clothing can be used in both professional as well as recreational fishing.
